

Henry Felder Ford

July 23, 1972 - August 2, 2025

On August 2nd, 2025, Henry Felder Ford passed away surrounded by those who loved him. He joins his father, Henry Wade Ford, his niece, Alyssa Nearbin, and his nephew, Ryan Ford. While his absence leaves an emptiness in the hearts of those who loved him, we're grateful his long courageous battle with brain cancer has come to an end and he is reunited with family who left before him.

Henry is survived by his mother, June Ford, whom he cared for deeply. He also leaves behind his brother, Bubba Ford (Kellie); sisters, Cherry Bland, Mary Jane Nearbin (Mike); and his twin sister, Beverly Drawdy (Ronnie), with whom he shared a truly special bond. He also leaves behind many nieces and nephews who will miss him deeply.

Born on July 23, 1972, Henry had a strong appreciation for the outdoors and took joy in sharing it with the children in his family. He spent many hours teaching them what he loved, and they, in turn, adored their "Hehe."

Henry spent many years working at Ham's Nursery before channeling that passion into his own business, Henry Ford's Lawn Care. He took great pride in building his own business, and it meant a lot to him to work with his hands and see the results of his efforts.

Henry never pretended to be anything other than who he was. He always spoke his mind and found joy in the simple things—being outside, hunting for arrowheads, adding to his gun collection, and spending time with family.

Henry was strong-willed and deeply connected to the people and places that mattered most to him. His absence will be felt in the quiet, everyday moments.

“ During our time together working on irrigation systems at Ham's Nursery, I depended greatly on Henry's input. He had talents for trouble shooting problems, taking on a new installation job and understanding new technology. Other co-workers also recognized his abilities and respected his strengths. And everyone knew how much he loved his family. My wife Denise and I are praying the family receives peace as they deal with their loss of Henry.

Just close your eyes and you will see
All the memories that you have of me
Just sit and relax and you will find
I'm really still there inside your mind
Don't cry for me now I'm gone
For I am in the land of song
There is no pain, there is no fear
So dry away that silent tear
Don't think of me in the dark and cold

Henry was a very intelligent employee. He could diagnose and repair complicated irrigation systems. I appreciate him coming by for a visit about this time last year and am proud of his accomplishments. Rest in peace, Henry.
