Henry George Rouland

July 15, 1931 - November 2, 2016

Henry G. Rouland - Elkton Fl - Died November 2, 2016. Age 85 Hank was born in NYC to French parents. They moved south shortly thereafter and he grew up in Richmond, VA. We don't know why he never acquired a southern accent. Hank was a Hokie, having graduated VPI when it was still commonly called "Polytech". An electrical engineer, he went straight from college to RCA Victor in NJ and remained there, throughout its various reincarnations, until his retirement. He worked on the space program and on defense. He and his wife moved to Elkton, Florida in 2008. Hank was an avid tennis player, photographer, and pétanque player. He was the webmaster for the Montezuma Tennis Association, Coquina Crossing Residents/HACC, and Boules de Leòn pétanque club. He quite liked this nutshell description: Pasta lover, tennis addict, welded to his computer, knob twiddler, white socks and sneakers, never owned a tux, old movies fan. He is survived by his wife, four children, six grandchildren and a number of friends who wanted him to play golf – a sport for which he said he was not old enough. As per his wishes there will be no services. Cremation will be arranged by St. Johns Family Funeral Home. Please raise a glass to him at your next opportunity. If you wish, donations may be made in his name to your favorite charity.

There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.
