

## Hyun Suk Tak

April 7, 1974 - May 29, 2022

Han/Hyun Tak, beloved father, son, brother, uncle, nephew, cousin passed away May 29th, 2022, at St. Augustine, Florida at the age of 48. He was born in Seoul, Korea to Seung Won Tak and Soon Ok Whang on April 7, 1974. He grew up in West Hartford, CT and graduated from William H. Hall High School.

Han completed his undergraduate studies at Hobart William Smith Colleges where he received his Bachelors in 1997. Han was active in various intermural sports and spent a semester abroad at Yonsei University. He has worked at various companies such as Oracle, LexisNexis, and IBM before pursuing his passion to build his own career and business, Life Multimedia.

Han's passions in and for life was immense and large. He loved to invest in everyone he met, and his career was built around those relationships with the intent to be a storyteller. His dedication to his business as a Content Strategist and Corporate Storyteller included prominent businesses in and around St. Augustine, FL. These business relationships turned into his extended families that included Nimnicht Chevrolet, Caps on the Water, Sunset Grill, Ginger-Bistro, and so many more.

Growing up and throughout his entire life, Han found joy when he was outdoors in the sun actively working out. His earliest passion that lasted throughout his life, was tennis and photography, both of which he taught

himself. Growing up, you would often find Han hitting tennis balls at his local elementary school, perfecting his strokes and serves. No matter where he was, Han would always find a local tennis court early in the morning to pick up a game with fellow players he might have never met before. His more recent passions as an adult, included motorcycling and road cycling. He has been described as a friend that puts his whole heart into everyone and everything he does. Han lived his life with full joy and passion, never letting a day be wasted. Han's goal in life was to raise his son, Ethan, to be the best person he could be. Ethan and his family was everything to him. He would take every opportunity to boast about how proud he was of Ethan and how amazing Ethan's talent for golf was developing.

Han is survived by his most beloved son, Ethan, co-parent, Kye Chung; parents, Seung Won Tak and Soon Ok Whang; three sisters, Susy Tak, Cathy Chung (Kyoung, Andrew, and Christian), and Nancy Yeung (Tom, Emily, and Abby); He also leaves behind his uncles and aunts, Seung Jin Tak, Seung Hwa Tak, Jung Hae Tak, Dr. Pill Joon Whang, and Tack Joon Whang. He also leaves his cousins, Anne Kelly (Steve), Jane Park (David, Elsie, and Ian), Brian Tak, David Tak, Cindy Tak, Jung Won Park, Hyun Park, Sam Park, Dr. George and Lisa Whang, Dr. Walter and Debbie Whang, Joseph and Marie Whang, Dr John and Audrey Jensen, Juho Whang and John Whang.

The family would like to thank all those that have reached out with kind words and support. We are deeply touched and so incredibly thankful for all of Han's Floridian friends who were his family here.

“ To the family of Han/Hyun Suk Tak:

*You probably have no idea who I am. No worries! I first met Han @ the Atlantic Beach and Tennis Club back in 2010, where we began to hit tennis balls.. This tennis was extremely important to me as it enabled me to relax, because I was working full time and was the primary caregiver for my elderly mom and dad. These small occasional respites helped to enable me to sustain my family caregiving commitment. I will always be grateful to Han for those occasional but often very timely hits, and for helping the improvement of my tennis. I also recall his amazing talent in the areas of video and photography. He produced some outstanding productions, while having the technical know how to use some of the most sophisticated equipment and software. It definitely showed in his very high quality finished products.*

*As his tennis skills advanced, his ball strikes tended to send tennis balls flying by me on a regular basis 😊. It has been years since I have seen him, and judging from those beautiful pictures in the Tribute section, he sure seemed to pursue his tennis, biking, photography and golf with great intensity in the following years. ( Thank you for posting those photos).*

*I was deeply saddened to learn of his passing from our St Augustine / Palencia Tennis Community. Am praying for the family's comfort in this very difficult of times.*

*Sincerely,

“ *I am the Manager of Palencia Starbucks. Han has greeted me almost every morning for a year now, as he did a lot of work in my lobby. I am new to Florida and he was my first customer that I truly got to know. Weve spent a lot of time talking over this last year and I want to say how much he loved and spoke of his family. He was always so proud of his son, Ethan. And he loved his sisters dearly and bragged about their cooking. He spoke fondly of his Oma and Appa. Han became my Korean family since mine lives in Seattle. I am so sorry to his family for their loss and I hope you know that he loved you all very much. You guys were all he talked about.*
