“ *I just learned of Irene's passing. I first met Irene in Denver when she was in training to be a Nuclear Med Tech. She kept in touch with me over the years and I would see her occasionally in greater San Diego when she visited her parents and then her mother in Imperial Beach. She always sent a Christmas and anniversary card to me with updates on her life. I know that she had some health problems in her later years. She was a kind person. May she rest in peace.*
