“ I never got to share some of our memories until now. I'll never forget the day I met you. My life changed. The day you moved in, our first I love you. How can I forget the day you got down on one knee and proposed. I wish things went differently. I wish you listened to me, all I have is your last words ringing in my ear. I love you my sweet angel. His family, our family. Your in laws, your little sister in law, your father in law, we miss you so so much. Our hearts are broken without you. You had a life with us, you had a family that you loved that you were proud to be a part of. Introducing yourself to everyone as the son/brother in law. Our dogs miss you. Harvey sure does miss you. We all miss you and love you. I love you forever my sweet angel.

“ hey jace, i know you'll never get this. i don't know where you are now, but whenever it is, i hope it's better than here. i hope you're no longer in pain. i know we haven't talked since about march, but i wish i had known. i wish you had told me, had asked for help. i wish i could have helped. remember Circe, my little baby ball python that you loved so much? she's all grown up now, she's doing great, i guess now when i look at her i can remember you. i'm glad i designed that skull tattoo on your forearm. i guess a part of me will always be with you, and i know a part of you will always be with me as well. i know you'll never see this, but i love you. i wish you were still here
