“ First of all, my deepest condolences to my Auntie and cousins Sherry and Deanne!!! I am so sorry and I love and miss you all!!! My memories of Uncle Jackie involve the great telephone and keeping in touch from time to time over the years. No matter how often or how long time went by, his greeting “hey baby”, on the other end was joyful and full of welcome and love. Uncle Jackie, you are no longer sick, you’re with my Dad and God, and you are loved and missed by so many. Love you all Family
