“ Although Jackie, her brother Dik, sister-in-law Karen and nephew Ryan have had geographical distance between them for many years, their family bonds have remained close, loving and filled with wonderful memories. Even as a little girl, Jackie spoke her mind and like Frank Sinatra's song , " Lived life her way and with no regrets". She enjoyed Ohio family updates via Blue Mountain funny e-cards and was hoping to come to Berea next summer for Ryan's wedding. Her lovely presence, sense of humor and contagious laugh will be missed by all of us. In her last conversation with us , shortly before her passing, she praised the sister-like care and amazing friendship over the years that she and longtime friend Brenda Carr were blessed to have had. It is comforting to know that Jackie is at peace in heaven with Johnnie, her parents and the rest of her heavenly family.

With Love and Condolences to the Clutter Family, Dik, Karen, Ryan and Rachel

She will be missed so much. She was one of our Fab 5. She was
