

## Jacqueline Bish Bell

April 1, 1945 - July 30, 2025

Jacqueline Bish Bell, known to her loved ones as Gigi and to her friends as Jackie, passed away peacefully surrounded by family on July 30th, 2025. She was born in Cambridge City, Indiana, on April 1st, 1945, to Ralph Leon Bish and Elizabeth Ruth Little Bish. She called St. Augustine, Florida her home for over thirty years, where she cherished her family, friends, and community.

Jackie dedicated her life to serving others as a mammography technologist. A woman of many talents, Jackie's hobbies included sewing, crafts, cooking, and gardening—passions she loved sharing. She never met a stranger and loved to know everyone's story. Jackie always had a gift ready for everyone in her life and loved celebrating every holiday. Her greatest joy was her family, especially her five grandchildren—Belle Jones, Mary Hope Krawson, Mason Jones, Matilda Bell-Temin, and Atticus Bell-Temin—who were the light of her life.

She is survived by her devoted husband of 57 years, Richard Dennis Bell, whom she married on July 6th, 1968; her children, Denise Jones (Randy Jones), Kimberly Krawson (Michael Krawson), and Heather Bell-Temin (Harris Bell-Temin); and her siblings, Necia O'Gorman, Jon Goshorn, and Jeff Goshorn. Jackie was preceded in death by her parents and her sister Sue.

Her kindness, generosity, and joy will be deeply missed and lovingly

remembered by all who knew her.

“ ,Jackie, as I knew her as my sister! She loved life and we were friends as well as sisters. She was six years younger than me but we loved each other. She was happy and loved life. A good Christian woman. She had a strong personality. I thank God for her life. She was a woman who cared about others! I thank God for giving me a sister, like Jackie . I love you my sister and we will see each other when our Father in Heaven says it's time . Rest in God's love. I love you!!  
Your sister Necia

“ I'll never forget meeting Aunt Jackie about 30 years ago when she came for a visit to Missouri and she brought gifts for our kids. She was vivacious, ready to enjoy the family and brought lots of excitement to the room! She was personable, thoughtful and wanted to help jump in and make everything festive! She was easy to get to know and I quickly felt loved by her and as if I had known her for many years! If it weren't for distant miles, I'm sure we would have seen much more of her. She would send annual Christmas cards and loved the holidays! Her love for life and family was obvious and she will be greatly missed! Condolences 🌸 and hugs to each family member. Love ❤️ from Paul (nephew) and Amy Bragaw of Blue Springs, Missouri
