Jacqueline D. Hall, of St. Augustine, passed away on July 23, 2025. She was 74. Born in Duxbury, MA, on July 6, 1951, she was the daughter of Neil Lester and Nancy Joan (Whorf) Hall. Jaki is survived by her daughters, Nicole Gavaletz of NH, Katherine Gaul of FL, her sisters, Joyce Hall and Nancy Loftus both of MA, her granddaughters, Carolyn, Marguerite, and Louise, and great grandson Atlas. *For Jaki's daughters...*

*I came across this obit on her Facebook page and was so sad to read about your mother's passing. I remember her from several years ago when she worked in the office at Ocean & Racquet, where we still own a condo. She was always gracious & warm, and had a wonderfully dry sense of humor. I haven't seen Jaki since those days and had not kept up with her. But I just wanted to extend my condolences. I know how hard it is to lose your mother.*

*Sincerely,*
