“ Like others, I have very good memories of Butch from our Jasonville days. We started playing sandlot baseball as little boys and then continued to every sport we thought we knew how to play. Needless to say, we got into our share of trouble as boys, but we had a lot of fun too. My prayers are with the family at this time and I am so happy to help celebrate Butchs life and share some memories.

“ Our memories of Butch will last forever. We are so glad that we were able to be with Linda and Butch this past Feb. Wish there were more times to be together. Butch had a sense of humor like no other. I will miss my classmate.

“ I have many fond memories of Butch. He was a major part of our small school "family". He always lit up the room with his personality and great sense of humor. He will be missed by many of his friends as well as his family.
