With deepest condolences for the family and friends of Jimmy. I was a coworker at FEC with him for 30 + years and fished with him quite a bit. Jimmy always told some of the best stories in the lunch room at work. His "Jimmyisms" were always a hit with the fellows at work. Rest in peace brother.

Jimmy and I made a lot of memories together and he taught me a lot more about being a man and a outdoorsman. I'll never forget any of it. The Paxon's will always hold a special place in their hearts for Jim Bob.
