“ Dear MaryBeth, Our heartfelt condolences to you and your family. You and Jim were so good neighbors when we moved in Norwalk, CT. We met every evening right across and talked so much and watch kids ride their bikes and chat for hours.

“ Marybeth I know there are no words. I'm so sorry. I had no idea what you guys were going through. You're a strong person and I know you both fought a good fight. Even though I've always been terrible at keeping in touch (please forgive me) I hope you know I love you and hope you let me know if there's anything I can now, or ever do for you.
