“ It is with great sadness that I learned about Jimmy's death, because it was an honor to know him. Prior to restaurants being closed in early 2020, on many Wednesday after-noons after school, Jimmy, Aline, Victoria and Kyle and myself, daughter, Jennifer and grandchildren, Gavin and Hailey, would meet to eat and socialize. As the children played, we had wonderful discussions about "growing up in Old St. Augustine". Since that time, I have missed our conversations and I know he will be greatly missed by so many other people, too. Our prayers and condolences are being sent to his family and close friends. Blessings always, David Bartlam and family.

“ Jimmy has always been a true friend. He was the kind of guy who would drop whatever he was doing to lend a hand to a person in need. He will surely be missed.

So many memories made with Jimmy. He would stay with the bluegrass singers, and pickers as long as we played, and sang. He was a purist when it came to hanging in there with all of his friends. You will be missed my friend. So many laughs, so many memories. We are all going to miss you. We will see you again. Doreen and Roland Hendry.

First met Jimmy at Hardens Chapel Homecoming in Georgia where many faithful Partins returned every year. Then when Nellwyn and I came to the big Partin reunion in St. Augustine where we met many more double cousins. Just wanted to let Alene and Ellen know we share in their loss.
