“ Mr. Shelton, memories of 8th grade Social Studies come flooding back in vivid color....your humor and your kindness and your ability to garner the attention of young teenagers was incredible! Best memory from 8th grade was sweating in your yard under the hot Florida sun digging a ditch for you....and drinking Mrs. Shelton's wonderful lemondade! You probably did not actually need me digging, but you knew I needed the money and so you offered me the job. You will be missed and remembered.....and I know you will be a joyous addition for our Heavenly Father!

“ I didn't have Mr Shelton as a teacher, but do remember him as Pastor Shelton. He was a remarkable man, gentle kind and made you feel like no matter what you may have done or said, you were still loved and forgiven. he inspired so many and will be missed by his family and friends from across the County. He touched so many people in so many ways. God said, well done my good and faithful servant, come home and reap your rewards. God be with your family.

“ I will always remember Mr. Shelton as one of my most favorite teachers in the eighth grade. It was in his class that I learned my mom had her last child, Jessica. I would like to think that he is up there chatting with my Dad. I think they would have liked each other. Smypathy and prayers go out to the family

“ God is too wise to make a mistake! MR. SHELTON, HAS FINISHED HIS COURSE HERE! To: The Shelton Family,(recognition to my classmate "Melissa,"), there are one of several great things I can say about Mr. Shelton, but the one thing that weighwieghed all the rest was:"He Walked The Talk!" in other words: He lived that he preached. In the classroom and the community, I never remember Mr. Shelton being unprofessional or acting unseeming! He fought a good fight; He finished his course! To God be the Glory! He was one of Levy County's greatest Am. hlstory Teachers. Stay Prayerful. We all loved him, But God loves him best! You are in my prayers!
