“ How my heart breaks for you and your family Laura. Although we only met your daughter once in passing, I knew she was a special soul. Please let us know if you need anything. We too have taken this seemingly impossible journey with the loss of Sara in 2018 at age 30.

May the Lord Jesus Christ comfort and keep you all during this time and future.

“ Laura,
There are no words, My heart breaks for you. We have been friends since 1998, and it was very rare that when I seen you, that JaimieLynn was not with you. That showed me your total devotion to your Daughter and shows the kind of person you are. That was my first impression I got of you both. As we got to know eat other more it was very clear that JaimieLynn was going to have your same kind soul, it runs in the family. I believe you carry that with you and she is lighting up Heaven with her shine, kindness, and jamming to her music. JaimieLynn, you beautiful soul, you will truly be missed and we love you!
