“ To the Family of Jean: I was in Jean's red hat chapter and I often played bridge with her. I am deeply saddened about losing her--she was one very special, very beloved lady. I had many contacts with her over the last decade and was aware of so many wonderful and admirable traits--graciousness, good humor, kindness, energy, and I could go on and on. I am so sorry for your loss. We are in Maine for the summer, or I would have been at the services in St. Augustine. I feel fortunate to have known your beautiful, special, classy mother, and I will miss her so much.
