“ Bob, we are awfully sorry of the loss of your wife Jean. We wished we could have been there for her service and to support you at this very difficult time but we were out of town when we heard of her passing. If there is anything we can do please let us know. We will be contacting you when we get home. Take care and God Bless.

“ Jean was the best sister-in-law that anyone could ask for. I will miss her terribly. I will always cherish the many memories we had shopping and laughing over some of the silliest things. Jean I love you very much.
