“ *I stayed with Ian and Trish in Massachusetts when they were about to move to Stow and this was the first time that I met Jeanne...she was such a joy to be around as we prepared their apartment for the move while they were off at work. We immediately got to know one and other and subsequently, I stayed at her house with her husband Bill and I was able to enjoy her wonderful hospitality. I will always remember Jeanne for her caring, happy and loving personality and my life is that much richer for having known her.*
