“ Dear Morrow Family, I can't believe that Jeanne is gone. I am so sad to hear the news of her passing. We connected on Facebook , chatted and shared updates in our lives . Can't help but smile and chuckle a little . See, we played THS basketball and well she wasn't tall. BUT she was feisty. Never a dull moment with Bean. She had such a great humor. I will remember her always. Prayers to your family. Apparently God needed that bright light and that beautiful smile.

“ Mrs. Morrow, Cathy, Bill, and David, My thoughts and prayers are with you during this difficult time. I recently reconnected with Jeanne. What a wonderful person she was! We messaged about the things we remembered as kids, the fact that she-well all of you Morrow kids babysat my brother and I at one point or another. I remember, Snowball, she remembered Woody, and how Lassie had a little thanks to Woody, and that I LOVED spending time with Grandfather Dorsey. We had a nice neighborhood with lots of great neighbors that watched out for each other! I hope your faith and your knowledge of the kindness Jeanne showed to ALL of us will help you through this, and believe that Jeanne will always be with you watching over all of you! All my thoughts are with you all! Love, Deb Dourlain

“ To All Jeanne's family & friends, my deepest heartfelt sympathies...such a shocking loss. I know Jeanne wouldn't want us all to be so sad. I just keep remembering her wit & joy of life & sense of humor & big heart. I'm so glad she reconnected with me a couple years ago. It's been fun reminiscing all our fun days in THS band...precious memories. But my heart is still sad & I send my condolences and will continue to keep you in my prayers

“ Dear Morrow family: My sincere condolences to the family and all who loved Jeanne. She was such a special person..always taking time to be kind with eloquent heartfelt messages to her friends. She was a caring devoted sister for brother Bill and advocate for mental health awareness. She loved all animals (critters as she called them). She will be dearly missed by all who knew her but my hope is she will continue to shine as a bright star in the universe for all of us. Prayers for peace and comfort..love and light, her friend Jillie

“ The untimely death of Jeanne Morrow deeply saddens me. Jeanne was kind, compassionate, and caring. A very sensitive person. It is so unfortunate and troubling that she is gone. May she rest in peace. My sympathy to her family.
