

Jeffrey S Bruno

August 3, 1960 - September 9, 2025

Jeffrey Scott Bruno, 65, born on August 4th, 1960, went to his eternal home September 2025. It seemed his journey here just became too much to bear. We ask that you remember him not for the way his life ended, but for the way it was lived and for the profound impact he had on the lives of those who had the pleasure of knowing him.

Jeff was born in Toledo, Ohio. Grew up in Holland, Ohio, and then the family moved to Perrysburg in his teenage years. In the late 1980's Jeff moved to Florida, preferring the weather there. Where he lived the remainder of his years.

Jeff was incredibly gifted in many ways. His mind was always coming up with new inventions like robotic hands, home made hot air balloons and billboards that would flip, before it was a thing. He found joy in music and would use his artistic talent to create meaningful videos like this one on youtube called, "happysad123video".
