“ Hopfensperger family, my sincere condolences to you and yours in this time of loss. I was friends and room/housemates with Jeff in college and loved him as a brother. What a great man you all have had in your life! As I looked at his picture today it gave me great peace to know that he is in the hands of our Lord, and I imagine he is dunking basketballs, dancing and just having a fantastic time. We know he is well and will be with you in spirit always!

“ To The Hopfensperger family, I'm very sorry for the death that you've experienced in your family recently. There are some scriptures found in gods word, that have encouraged me in the past when it comes to losing one of our loved ones. John 11:25 says... "He that exercises faith in me, even though he dies, will come to life." I also agree with the bible when it says at Acts 24:15... That "there will be a resurrection, of both the righteous and unrighteous"! Revelation 21:4 states " Death will be no more." "The former things have passed away." What a wonderful time to live when these scriptures will be fulfilled! My thoughts and prayers are with you at this difficult time.. please know that I'm thinking of you and your family during this hardship. Thank you for your time, Sincerely, Caleb Aniol
