“ It is with deep sadness that we bid farewell to such a delightful, courageous, peace filled, caring woman who lived life to its fullest in the face of daily struggles to survive and overcome the battle with something so much stronger than her will. Yet Jennifer served as an inspiration to all who knew her and will be missed deeply by those who loved her so. We are all so blessed to have had Jennifer in our lives!! And now she is at peace and watching over us, reunited with Nana and Dondi in love and compassion. May they continue to light the path of gratitude, devotion, hope and love for all those left behind and embrace Jacqui and Chuck with memories and serenity that will be with them each and every day. We loved you so and will miss you, Jennifer. Xoxoo
