“ I remember a quiet man who eagerly engaged in the activities that were designed to test our commitment to entering the Peace Corps and cemented the friendships that have endured across time. We were all blessed to be a part of the same idealism. M J Skorude

My wife and I first met Jerry in Brattleboro, Vermont where we began an eleven week training program to serve as Peace Corps Volunteers in Brazil.

My first and lasting recollection of Jerry was his engaging smile and genuine concern for me and everyone else that he encountered. For 52 years, I tried to find Jerry to maintain a friendship with him. Only recently, in February of 2020, was I able to locate and visit Jerry and Sharyn in Saint Augustine, Florida. I rang the doorbell. Jerry answered the ring and opened the front door.

I simply said "Hi Jerry! Do you remember me from our Brazil Peace Corps group?" He was astonished and invited us in to visit and reconnect for over an hour. Jerry looked great and listened intently as I brought him up to date on the other volunteers that we both knew. As my wife and I left to continue our trip to Palm Beach County. Little did I know that it would be the last time that I would see Jerry in this life.

Jerry was a good man who thought of others first. He will be missed by many. Jan and I offer our late condolences to Sharyn and the rest of the family for their loss... John Wunderlick

My memory of Jerry Hale at his wedding - I thought my cousin Sharon was the luckiest girl in the world. And over the years, I saw Sharon and Jerry at various family gatherings and was always impressed by his kind demeanor. I am sure he will be missed by his family.
