

Jerry Carl Haddock

January 3, 1942 - March 20, 2019

Jerry Carl Haddock, age 77, of St. Augustine, passed away on the first day of spring and a super moon, March 20, 2019 at the Bailey Family Center for Caring. He was born and raised in Oklahoma City, OK and had resided in St. Augustine, FL since 2002, moving here after raising his children in Richardson, TX. Jerry excelled in academics and sports at Bishop McGuinness High School, lettering in basketball and baseball. At the University of Oklahoma, Jerry continued to play basketball and baseball, pitching his way to several school records by the time he graduated. He still holds records for most innings pitched in a game, and most strike outs in a game. He graduated with a Bachelor of Business degree, then served his country in the U.S. Army during the Vietnam War. Jerry worked for many years as a manager with Sun Oil Company in Tulsa. He most recently worked for Optimal Solutions in Texas as a computer programming consultant. Jerry was an avid golfer, part of the Ocean Gallery / Seascape Circle golf group, but will be most remembered as an entertaining story teller. More than anything, Jerry was a loving husband, father, grandfather and friend to many, and he will be deeply missed.

Jerry is survived by his wife, Nancy Haddock of St. Augustine; sons, Robert Scott Haddock of Denton, TX; Richard Edward Haddock of Tomball, TX, Adam Price Haddock of Oregon; a daughter, Leighanne Sarah Haddock of Santa Monica, CA; sister, Shirley Ann Thompson of Oklahoma City, OK; sister-in-law Beverly Reeves Haddock of Oklahoma City, OK; several cousins,

“ Dear Nancy, Shirley and family. This is a sad time for Gary and Chris and Ron and Katie and their families. Gary and Ron’s memories recall the fun loving creative atmosphere that Jerry contributed to our large family and its frequent get togethers. We always looked forward to celebrating our holidays and special times with all or most of the family at Jerry’s house...Jerry was also a glue that helped us boys stay together and just enjoy each other...all the while kidding with Jerry as he continued to enjoy his many successes on the court and field through grade school and college. We were just plain lucky in having Jerry give us those many hints that we need to become more proficient in sports. In a sense, he became our tutor as he provided excellent teaching skills for his close cousins.

After our various separations from Oklahoma over the years, we boys continued to keep in touch with Jerry—enjoying stories of his families, his advances in sports and in his information technology career, and his interests in genealogy. Jerry’s natural love and capacity for sports and family were impressive.

Jerry we are going to miss you. Love, Gary and Chris and Ron and Katie

“ Nancy, Barb & I want you and all of the family to know you are in our thoughts and prayers. Jerry was more than just a neighbor. He was a friend and a golfing buddy. Our Seascape Circle neighborhood will be just a little less neighborly, a little less sunny and a little more saddened.
