“*Belated condolences to the family, One grieving mother said, "The trauma of the death of a child is something that just cannot be explained. There can be no greater pain." This undoubtedly is an extremely difficult time for the family. In spite of one's faith, at times like this all sorts of emotions race through our minds and heart, one may well wonder how can I cope or bear this load. Thanks to our GRAND CREATOR who will soon restore paradisaic conditions to our earth, for he yearns to bring back to life on earth those who have died including little Jessie. (Job 14:14, 15; John 5:28, 29) Because of GOD's promises, you can confidently look forward to the day when you will embrace Jessie again. May this inspired hope warm your heart every time you hear the word "paradise". In the meantime, take comfort in the fact that Jessie is in the memory of an unconquerable GOD whose promises will not go unfulfilled. Hosea 13:14 Please accept my deepest sympathy*
