

Jessica Marie Wengert

August 18, 1985 - August 8, 2022

Jessica Marie Wengert, age 36, of St. Augustine, passed away on Monday, August 8, 2022, at her home in the arms of her husband. She was born in New Hartford, NY and grew up in Holland Patent, NY. Jessica graduated in 2003 from Holland Patent High School where she met her husband, Allen. After high school she graduated from Springfield College in Massachusetts with her degree in early childhood education. She married her high school sweetheart on May 24, 2008 and they had two beautiful daughters together. They lived in Virginia for some time before moving to St. Augustine in 2016. She had a great sense of humor and a beautiful laugh to accompany her perfect smile. She loved dancing, reading, walking, bike rides and most of all snuggling with her daughters. Not a day went by where she did not take the time to make sure they felt special and safe. No words can ever describe how much of a caring and loving wife and mother Jessica was.

Jessica will eternally be remembered and survived by her husband, Allen Wengert; two lovely daughters, Laela and Haeliana; mother, Julie Miner; father, Steve Santa Maria; sister, Morgan Frank and niece, Allison Frank.

She was preceded in death by her father, Edward Coe.

“ *Jessica and I danced together as a competitive team at the dance studio formerly known as Dance 10 Studio. She graduated a year ahead of me from at HP, but she was always nearby at school since Allen's locker was right next to mine (Webb then Wegert). I always appreciated Jessica's bubbly personality and gentle approach with people.*

I will always remember Jessica with that beautiful smile, she was a loving person, we were always together at our daughters' school events, on field trips, on play dates, the little I knew her I realized that she lived for her family, a dedicated mom to their daughters. I will always carry her in my heart.
