“ Please accept our deepest sympathies in the loss of your brother. I too know the pain of losing a sibling. May you find comfort in the words Jesus himself said at John 5:28,29.

“ Dear Jimmie, You were Karen's neighbor for many years and while we would see you from time to time we did not get to know you as we would have liked. We would have loved to see and talk guitars and violins with you. We will miss you, Jimmie. Rest with the Lord now.

“ Dear Jimmie, I miss seeing you out my kitchen window so very much. Crackerjack is hanging out in your backyard, wondering where you have gone. I'm so sorry that I didn't know you were ill. Even though you were a private man, you always had a smile and a wave for me. I felt safer knowing that you were next door. I want you to know that you had neighbors who cared very much for you, as much as you would let us, and would have done so much for you if you had asked. I hope that you are in a world free from pain and that you know how deeply you will be missed. You were a "gentleman and a scholar," dear Jimmie. Love always, your neighbor Karen
