“ Joann was a woman of deep faith. I asked her how she had such beautiful hair since she had cancer 20 yrs ago, and had chemo so many times throughout those yrs. She told me she prayed, and prayed hard, asking God to please keep her hair through the therapies. She was blessed by the Master. Even during her latest chemo the past few yrs, he allowed her hair to remain beautiful. This is an example of deep faith and the answering of prayer - a testimony of faith I shall never forget.
