

Joanne Horvath

January 3, 1947 - May 5, 2022

Joanne G (Kramer) Horvath, 75, passed away suddenly in her home in St. Augustine Florida on May 5, 2022. She was the daughter of the late Joseph Kramer and Deloris (Venditto) Kramer of Bethlehem, Pennsylvania.

Joanne spent more than 54 years as the loving wife of James T. Horvath. Together they raised three daughters; Lisa married to Scott Remaley of Schnecksville, PA who are the parents of their first grandchild Jordan of Sanford Florida, Gina married to Christopher Licini of New Tripoli, PA with the first granddaughter Beth Pierce of Slatington, PA, and Tina wife of Shane Frey from Allentown, PA and their three daughters, Shayna, Taylor, and Kaylee. Joanne is survived by her brother Joseph Kramer and his wife Cindy of Bethlehem.

Joanne wore many different hats throughout her life. She graduated high school from Bethlehem Catholic at the same time graduating from Empire Beauty School. She went from making people feel and look beautiful, to feeding their hunger as a cook at Sacred Heart Hospital in Allentown PA, to enriching the lives of young people at Harrison Morton Middle School as a para-professional, then managing to leave her mark in the restaurant industry as a leader for a Long John Silvers/Arby's franchisee.

When retirement time came, she knew where she wanted to be. Sunny

Florida. Her family packed her home and off they went. She did not stop working, she found an amazing little boutique on St George Street and dove right in, how else could she continue to meet new people if she didn't.

The time finally came to slow down and enjoy life. Bingo and card games were her favorites, she also learned to play darts and canasta.

So, a Celebration of Life in both Pennsylvania and Florida is the only possible way to say goodbye to this amazing woman. The family will reach out to all those who loved her to let them know when it will be.

St Johns Family Funeral Home & Crematory in St Augustine, Florida is in charge of arrangements.

“ *One of my dearest friends, I met Joanne over 50 years ago when our children were attending St. Cyril and Methodius School in Bethlehem. Her resilience to life's twists and turns always awed and humbled me. She could always be counted on for smiles, laughter, and caring support. Covid made it hard to be together, physically, but we kept in touch through texts and calls and occasional lunches. Her faith and love of family and friends were the pillars of her life. She'll be missed by so many whose lives she's touched. Rest in peace, my friend. Brenda Kalata*

“ Dear Sister:
Words cannot express how my heart aches since my beloved sister passed away suddenly from Covid. Thinking how my life is now forever changed. It breaks my heart to know that I will never again be able to talk to you, to see you or just give you a hug. All I have left are the beautiful memories of our life together. I believe someday I will see you again, but until then i want you to know that I love you and will miss you very much. I have comfort in knowing you are in Gods hands now. Rest In Peace my Sister.
Love your brother,
Joe Kramer
