Jodi Anne Sykes, 57, of St Augustine, the sunshine of our lives has gone on to shine in brighter places in the universe. She will forever be known for her loving, bubbly, always happy good nature. A creative soul, Jodi wrote several e-books including "Living La Vida Lymphoma" having lived with lymphoma for over 10 years, as well as several other diseases. Jodi bravely tried each new option to try and heal herself and go on. Jodi was a lover of people both the young and the old, a lover of dogs, good food, sappy love stories and daisies. A celebration of her life will be held on June 29, 2019 at 1:00pm at the Center for Spiritual Living, 1795 Old Moultrie Road, St Augustine. Please wear bright colors in honor of Jodi's bright and fun nature. Anyone wishing to make a donation in her memory may do so to her favorite places: The Center for Spiritual Living, St Jude's Children's Hospital, Make-a-Wish Foundation, Leukemia and Lymphoma Society or the St Augustine Humane Society. “ Instantly made an impression on me. Always left with a smile after seeing her. Took a special and equally sarcastic person to get me. Grateful to have met her.

Jodi and I hit it off instantly. She was a caring, loving ray of sunshine in my life. I will always remember how she lit up a room with her loving energy. I was blessed for knowing her and will miss her greatly.

The celebration of her life was a beautiful tribute to Jodi 's time on Earth. I was touched deeply by the words of the pastor and by her best friend, Kathleen Roberts. She spread sunshine and love wherever she went. What a gift. God welcomes her with open arms.
