

Joel Tillman Spivey

February 20, 1947 - October 16, 2022

Joel Tillman “Tim” Spivey of St. Augustine, FL passed away peacefully on October 16, 2022. He was born in Upper Darby, PA on February 20, 1947, the son of the late Joel T. Spivey and Carol Sones Spivey and grandson of Willis and Lenore Spivey, and Merwin and Gladys Sones.

Tim spent his early years in Pennsylvania and Florida before moving to New Jersey. After graduating from high school, he attended Florida Presbyterian College. He then moved to Columbus, OH following music and later spent time as a Florida park ranger on the Suwannee River. After working for 20 years as a land mapper for Tift County, GA, he retired in 2019 to St. Augustine, to be close to the ocean that meant so much to him.

He was a talented photographer and genealogical researcher. In addition to his passion for music, he loved nature, cathedrals, flea markets, Florida rainstorms, and all things British.

Tim is survived by his brother, William Spivey (Carol) of Coatesville, PA, and his stepmother, Alice Spivey of Honey Brook, PA. He will be dearly missed by his cousin, Dorothy Spivey Dean.

A private service will be held, with burial in the Greenville City Cemetery, Greenville, Georgia.

In lieu of flowers, the family suggests donations be made to the Community Hospice Bailey Family Center for Caring in St. Augustine.
