

John Anthony Cirola, Sr

August 21, 1954 - August 29, 2025

John Anthony Cirola Sr., a loving and devoted husband, father, grandfather, great-grandfather, son, brother, uncle and friend, entered his eternal rest while surrounded by his loving family, who lifted their voices in worship as he peacefully passed into the presence of the Lord. He was the proud patriarch of his family, holding true to family values and traditions. His life will forever be remembered for his faithfulness to God, to his family, friends, and to all who knew him.

For 52 years, John was devoted to the love of his life, Nita. Together they built a beautiful family he was endlessly proud of. He especially cherished being a grandfather and great grandfather, finding joy in watching his family grow and in being such a big part of their lives. Everyone knew and loved him as Nonno. As the family's keystone, John made it a priority to have his family in church and proudly lead the prayers around the table. Sundays were made sweeter by the aroma of his homemade spaghetti sauce - a cherished tradition and family favorite.

John grew up in a musical family, where the home was filled with song from a young age. John found his passion for playing the drums and singing, a joy he shared throughout his life with family and friends. His father formed the Big Band Orchestra The Rythmairs, which started his musical career in many multiple genres. The love of music carried on from his childhood home to the

home he built with his hardworking hands, where he shared the love of music with his own children that gathered them together. John formed a Christian band "Fiat" with his children, Tony, Brynn, Ryan and friends, to worship the Lord. A fun memory that many will forever treasure is how he often carried a harmonica in his pocket, ready to play a tune at any moment and bring smiles to those around him. John could turn any object into a percussion instrument and encourage others to join in on the groove.

During his career journey, John worked as a dedicated coal miner before pursuing his dream of becoming a pilot, a true testament to his determination and courage. He owned and operated his own flight school "Eagle 1 Aviation" where he trained civilians and military personnel to obtain their flight license. John's perseverance and drive to learn more, he went on from flying a Cessna to private jets. John was admired for his wisdom and dependability, building lasting relationships with everyone he worked alongside.

John was proud of his Italian Heritage. One of his favorite memories was traveling to Italy with his Nonno and Nonna, staying at the Cirola Family Home in Prignano Cilento. He was a faithful member of the Knights of Columbus, 3rd degree Counsel in Elkton, FL and a 4th Degree Assembly in Carmichaels, PA. Volunteer Firefighter/EMT of Company 67 of Nemaquin, PA. Drummer for the Local VFW Band in Uniontown, PA where he had the honor to perform for President Nixon. He was a member of the Historic Florida Militia, as a drummer alongside his son, Tony, where they participated in living history events. Together, they were also members of the 46th PA Regiment Band. John also loved reading and discovering history, traveling, and living out his faith with strength and devotion. John was full of integrity and was a faithful servant. He loved capturing candid moments with his camera, leaving behind photos and videos his family will treasure forever.

As a pilot, John hand selected his crew members throughout his life that was

part of his story and journey. John gained his wings and the Lord prepared a clear runway for his flight to glory bound. Throttle up to his final destination, Heaven. "GOD IS GOOD, ALL THE TIME. Glory be to the Father, to the Son, and to the Holy Spirit, as it was in the beginning, is now, and ever shall be, world without end. AMEN.

John is survived by his wife of 52 years, Nita Ciota of St. Augustine; daughters, Jen Krivanek and her husband Danny of Bridgeville, Pa., Brynn Himes and her husband Josh of Summerville, SC; sons, John Anthony "Tony" Ciota, Jr. of St. Augustine, Ryan Ciota and his wife Andrea of St. Augustine; his mother, Trudy Ciota of Clarksville, Pa.; sisters, Tina Adamson and her husband Dan of Waynesburg, Pa., Nancy Faieta and her husband Randy of Rices Landing, Pa., a brother, Vince Ciota of Clarksville, Pa.; grandchildren, Colton Henry and his wife Erica, Brett Henry, Travis Krivanek, Gavri Himes, Civana Himes, Ryanna Ciota, Acio Himes, Rayna Ciota, Giovanni Himes, Gianna & DJ Krivanek, and great grandchildren, Josie, Callum and Nash Henry.

“ Tony your father's obituary shows his devotion to The Lord, his family, and to his Italian heritage. Even though I did not know him I feel grateful for his work as a first responders in Greene County. We miss you Tony. You're in my prayers and we know your dad drove right through heavens gates. He sounded like a wonderful father. Rest easy sir your family and friends will take it from here. RIP

“ I have known John since he and Nita first met around 1971. From that day on, they were a perfect match. Together, they built a beautiful life and a wonderful family, who I know will miss him dearly. John's family was everything to him, and they adored him just as much as he adored them.

RIP, John. Heaven has gained another angel. You will be deeply missed.

“ *"Do not stand at my grave and weep. I am not there, I do not sleep. I am a thousand winds that blow, I am the diamond glints on snow. I am the sunlight on ripened grain, I am the gentle autumn rain. When you awaken in the morning's hush, I am the swift uplifting rush of quiet birds in circled flight. I am the soft stars that shine at night. Do not stand at my grave and cry, I am not there, I did not die."* - Sioux Proverb

“ *My heart is breaking for Nita and the family on their huge loss of my cousin Johnny's passing. But, I know we will see him again! His dedication to God and family is a true inspiration for all. When I think of Johnny, I have many memories but just to mention a few, I remember watching him play drums in his Dad's band, going swimming with him at the city pool and watching all the girls flock around him and walking out of his bedroom awakened by the smoke and calmly putting out a small stove fire before going back to sleep. I loved Johnny, even tho we were states apart, I kept up with him and his beautiful family through Facebook. Many prayers of comfort for all. Love and Prayers, Joi Stephenson and family*

“ *Some of the best memories of my life were spending the night over at the Cirola's house. Ryan, Friends, and I be up all-night swimming or playing video games. In the morning John would always greet us with a smile and some fresh pancakes. We would ask him for advice, or he would lend us an ear just to vent. He and I would always talk about something aviation related. I am so thankful for all the encouragement, love, and kindness he has shown us all of these years.*

Now, when my kids have their friends over to spend the night. I will greet them with a smile and pancakes every morning. John will live on through the love and kindness he's shown me, which I will continue to pass on to the next generation.

“ *I met John at St Ambrose Church about 4 years ago. He told me then that he had cancer and he truly believed that God would watch over him. He was a Benedictine, a kind and gentle soul. We said we would pray for each other, as I did every day. I will miss his faithful presence at church. I will continue to pray for his family, as I know John would like me to do that. May he rest in the peace of the Lord, our God. Hope to see you again in heaven. Blessings to the family

“ Nita, Brynn, and family I am so sorry to hear about John. He was a good man and I remember being a part of his interview process at Mylan. He had the biggest , kindest heart and would do anything for anyone. I am so glad we kept in touch all these years. We spoke last in April of this year and I got a thumbs up picture. Sending much love your way !! Diane

“ My favorite memory was when he played drums with the guys. So many people claim to be drummers, so I was skeptical. He BLEW us away. Wow. We were in awe.
