“ Carol, Darren and Ryan... Our deepest condolences. So many memoirs from our years in Briarwood. Camping with the Boy Scouts and our adventures at Phimont Scout Ranch...hiking into Ponil so John could have his Taco Cheese Doritto's and ice cold root beer. We celebrate his love of life and the way he touched everyone who was lucky enough to know him. We remember the Words of Jesus..."for those who believe in me, even though they die they will live ..." We claim this for John and look forward to the day we will be together again". God be with you!

His love and dedication to his family is to be admired, and we will miss him dearly. But the good news is that we have this hope in Jesus, and John is now safely home! May the love of Jesus comfort each of you as we all begin the healing process. All our love, Joe and Elaine Blessed are those who mourn, for they will be comforted. Matthew 5:4
