“ *I am so sorry to hear John has passed away. My heart and prayers go out to John's family. I had the extreme pleasure of working with John in St Augustine. John was one of my best managers and a true friend, he helped me in more ways then he will ever know. John and I would meet daily to discuss production improvements for the screw dept, he knew more about making screws than anyone I know. At the end of these meetings John and I would try to lighten up the daily stress by sharing stories of our family and friends and our past. John was quick to make laugh with his stories and jokes. I always left those meetings with a smile on my face knowing I had shared time with a great man. John loved his family dearly. I will miss you my friend. God bless you! Doug Russell*
