“ I just learned of John's sister Rita's passing and am shocked to learn of John's passing. My brother Joe and I wish to express our deepest sympathy to John's family. John and Rita were our cousins (their father (Uncle Joe) and our mother (Maria) were brother and sister. We were always in contact with Rita over the past 15 years and had several lunches together and with several of our other cousins but have not been in contact with John since he moved to Florida. Rita always keep us up to date about John and his family.
