

John Thomas Powell

July 8, 1950 - July 22, 2023

John Thomas Powell, born July 8th, 1950, in Rhinelander, Wisconsin, and a proud St. Augustine resident, John Thomas Powell was relieved of his long struggle with a progressive illness on Saturday, July 22nd, 2023. He is survived by his three children: Logan, Catherine, and Elizabeth; fiancé: Monica; and six grandchildren. He was a lifelong historian, archaeologist, and expert in various supporting fields. He was a drummer who served in the Navy band during the Vietnam War and, as long as he could, with the Living History Community - which he cherished. He was known to give openly, and that generosity still inhabits the impressions he made. Though his presence, which left those imprints, will be profoundly missed - for those who had the fortune of being loved by him - he will continue to be loved.

A celebration of life will be held at a later time. Please express your interest in attending by emailing loganpowell@gmail.com with the subject "John".

I just found out today. I'm so glad that I was able to spend time as a friend and student. He was a great friend...
