“ We have fond memories of John. We attended Church and home fellowship group together. He was a dear friend to our family. He cooked many great meals for our family, one in particular that we will always remember. While recovering from kidney surgery, John prepared a wonderful meal and delivered with a smile. I enjoyed going to his sandwich shop on South Dixie, having one of his cuban sandwiches. Great times!  
Our thoughts and prayers are with Eladia and family.  
Love, David and Brenda Marchalleck
