Dr. John Emmanuel Singh

November 16, 1941 - July 1, 2013

Dr. John Emmanuel Singh, 71, St. Augustine, died peacefully at the Bailey Family Center for Caring on July 1, 2013 surrounded by his family. He was an accomplished physician, businessman, minister, hunter, and most importantly a family man. He was born on November 16, 1941 in Bilaspur, India, where he met his beloved wife, Lavina Singh, with whom he fathered two kids, Samuel Solomon Singh and Titus Moses Singh, and ran a thriving medical empire. He brought his family to the United States in 1985 so that they could have a better life. In America, John earned a Bachelor's Degree and worked, along with his wife, for 20 years at the Florida School for the Deaf and Blind. His biggest passion in life though was preaching, ministering, and bringing people to Jesus Christ. He found great pleasure in financially supporting missionaries, preachers, and any person doing God's work. Anyone that knew John said he was the kindest and nicest man they ever met. His son Titus Moses Singh cared for him during his last seven years, supporting him in every way he could, greatly improving his quality of life. The last seven years, which were supposed to be the worst, were the best! Funeral services will be held 4:00 p.m. Sunday July 7, 2013 at St. Johns Family Funeral Home. A visitation, beginning at 3:00 p.m., will precede the services. St. Johns Family Funeral Home is in charge of arrangements.
