John Francis Spingola

March 11, 1952 - October 28, 2017

John F. Spingola, 65, passed away on October 28th. He spent his last days at the home of his brother, surrounded by his closest loved ones. He was a man of few words, who lived simply and loved deeply. He was selfless and content with little, happily sharing all he had with his children and grandchildren. He was a man incapable of doing anything but the right thing. After moving to St. Augustine, his children and brother eventually followed him south, a testament to the guiding light he unwittingly shone. He was a loyal and lifelong Yankees fan and had a wickedly dry sense of humor that will be missed by many.

Without question, the greatest joy of his later years came from spending time with his grandson, Aidan. He was a man who left more good on this Earth for being here. Pa, you are forever and ever in our hearts. He leaves behind his children, Trilbey Spingola and Gregg Spingola; his brother Francis Spingola; his grandchildren Aidan and Lucy; and the mother of his children MaryPat Startup. We know that you have been welcomed with wide open arms by your precious family members who have already passed and love you completely.

An open memorial will be held on November 19 at 2:00pm at 5105 Shore Drive, St. Augustine, FL 32086. Flowers and donations are respectfully declined.

“ *We were shocked and saddened to hear of John's passing. He was such a great guy and we recently were reminiscing about his prowess in the kitchen, especially his carbonara. We spent many fun evenings partying with John and Mary Pat. We'll remember his sense of humor, love for his kids and friendship. Our deepest sympathy Anne & Brian*
