“ John and I went to Howe Military School together, myself for 5 years and John for a record 7 years. No other cadet had the fortitude to last 7 years at Howe, but for John. John and I were both acolytes and active in the church, as were all Howe boys as we attended church 6 days a week. Howe made men of boys and I am better off for having had John as a classmate.

“ Jacqueline, Margaret and Walker family. I spent six years overlapping with John at HMS. He was a kind soul, and one of the smartest cadets in our class. Condolences to your entire family.
