He loved spending time with his loving wife and his family, but all of his love in recent years went to his 2 grandchildren.

Including many family members and close friends. His wife wants to send a very special thank you to the staff at DaVita of St Augustine, they were truly an exceptionally devoted team, and loved all of Joe's stories and his contagious laugh. His wife would also like to send a very special thank

you to his home health care nurse Molly from T Lay HealthCare Services, Molly, also, was a dedicated nurse who took her time with Joe, sat and listened to his concerns, and did everything in her power to help in every way to treat him and care of him. She ended up giving him a nickname, her JoJo!
