“ Jojo,  
They say there is a reason,  
They say that time will heal,  
But neither time nor reason,  
Will change the way I feel,  
For no-one knows the heartache,  
That lies behind our smiles,  
No-one knows how many times,  
We have broken down and cried,  
We want to tell you something,  
So there won't be any doubt,  
You're so wonderful to think of,  
But so hard to be without.  
I love you Brother ❤️

“ Me and JoJo spent quite some time together in our younger years. I was always a pretty serious person, and he knew how to let loose and have fun. I think that's why we got along so good. I have so many great stories with him and I'll miss him. His family is in my prayers.

“ We went with Joe and Jill to *Painting with a Twist* in Grapevine Tx. The picture was supposed to be a romantic couple's picture but Joe being the comedian he was said, "I'm Batman". He was such a joy to be around and really brought us a lot of laughter in the short time we got to spend with him. Rest In Peace Joe Cole.
