“ *If Hugs and Kisses do reach Heaven,I send you them daily Daddy,You,my Best Friend Ive ever had,My First Love and I always knew,you Were the Best Father in this world a Daughter could ever dream of.You gave me hope and strength to carry on,held my hand every day while I was bedridden,and I know,you and GOD brought me up to my feet again.When you said I will never be alone,I think of you and all the loneliness and emptiness go away.No one can stand with me as you did.I feel you in my heart every day.Thank you,Until we meet again!It is going to be beautiful.Until then,I want the world to know,you may be gone from Earth,I don't keep your earthly home,belongings,but I sure keep you in my heart.I have you with me.*

Proper only in being Blessed by The Catholic Church,. Thankful My Father was Blessed,but must let it be known, Yes I am grateful,but in no way proud of My Fathers second Family who buried Him after they forged my name and his documents.This is why we weren't welcomed and threatened to be arrested by our Stepmother by my halfbrother,a police officer!So I ask for prayers,people who are alcoholics,and abusive leave scars on others.Now years later,My Father is safe from being harmed anymore.
