“ Our thoughts and prayers are with you all during this sad time. Joe's passing has left the world a little less brighter, and every life he touched will have a empty space in their heart for him. We mourn with you with his passing and if there is anything we can do to help you, please don't hesitate to call. God Bless you!

“ Words cannot express how surprised and saddened I was to hear of Joe's passing. He was so much more than a business associate. Every week when I stopped by his office to drop off the papers we would sit and talk about anything and everything... life, business, family memories, philosophy... anything and everything. He was a kind, intelligent, understanding and compassionate man. I will miss our weekly conversations and his wise insights into life and all the mysteries and bumps that happen along the way. My thoughts and prayers are with his family and friends.
