“ *I love you so much baby and will miss you. I thought I'd spend the rest of my life with you, but I realized that you spent the rest of your life with me and I will cherish our time together. You took a piece of me with you but you left part of yourself here in our daughter.. she's so much like you. You are an amazing man and we shared a special bond together, you are my soulmate and I know I'll see you again. So rest in paradise my love and watch over us.. I love you always have and always will.*
