“ My deepest sympathies to the Mitkish Family. I worked with Joe in a variety of assignments over several years and he was always a guy that you could count on to give you the straight scoop, whether you wanted to hear it or not. As a supervisor, Joe always had the best interests of "the Job" and his guys in mind. I just want to let Joe's family know that during his time with the SCPD he was well respected & he will be missed. God Bless.
