“ To Sue and Nick and the entire Morrill family. I am crushed to learn of Joe's passing.. he is one of the people I came to know in life who I regarded as a true friend. I had keen admiration for his character and personality. He lives in my memory as a great guy that I was proud to know. I am hopeful that his few years retired and living his dream in Florida with Sue were pleasing and rewarding. Dan McCabe and family

“ Sue, Nicholas, Tara and family. We were shocked when we saw Joe's picture in the Journal. Janice and I are very saddened. I knew Joe "Military" way back at Delhi and had a blast with him and the crew during the football season. I hated when we worked in the rain because Joe just wanted to get us all dirty walking on to the field. We think of you often. Sue, Janice and I were so glad to get to know you as well. We will see you in March and if you need a place to stay or anything else please feel free to ask.
