“ Joshie!!

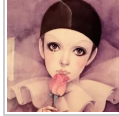

You were a light in some of the hardest times in my life. Always doing ridiculous things with me like building forts and hunting ghosts! Coming to visit me when I first started collage and just generally going along with all my shanagans. We had some good pancakes and some weird amazing adventures. I'm pretty sure we were lost together most of the time 🤪 I wish we would have kept having adventures and not let adulthood get in the way. Growing up is the worst!

Fly free little bird 💜

P.s. working out is dumb.

“ *An amazing man, son, brother, uncle, father, husband and friend . I feel so lucky to have been able to grow up with you. Josh was always there to make you laugh. He was smart and dedicated to everything he put his mind to. He had a beautiful soul a huge heart. You are loved by so many and will be missed tremendously. Be at peace now, but continue to make all of us smile. Watch over your family and keep them safe. You were too good for this world. I love you Joshua Luke Huss.*
