“ *Teresa, Lucinda, Robin, Don, Stephen, and family, I'm saddened to hear about the loss of your dear Mother. I have some many fond memories of visiting your home while growing up. Your Mother always made everyone feel so welcome. I ran into her a few times over the years and it was always so nice to talk with her! My heart goes out to you and I hope you find peace and comfort in your memories. Keeping you in my thoughts and prayers, Susan*
