“ *I have so many fun memories with Judy. We always laughed about the ski lift story. She told me we had to jump off; but it was too early but I did anyway and landed in the ski lift operators platform; she jumped off at the top but missed and slid down the hill a bit. We were not the best skiers but in true Judy fashion we tried things anyway. I also remember our first time at an auction. Impulsively she bided on a cool car convertible replica of a roadster type of car! Of course I told her it was the right thing to do! It was a big surprise for Charlie and with his good nature made arrangements to pick it up and drive it home! I will miss her and our friendship very much. But when I think of her I smile and I wil carry our friendship always in my heart.*
